

FastaHeader::FastaHeader

```
graph LR; A[FastaHeader::FastaHeader] --> B[FastaHeader::load]; B --> C[Header::setComment];
```

The diagram illustrates a sequence of three operations in a horizontal flow. The first operation, 'FastaHeader::FastaHeader', is contained within a white rectangular box with a black border. A blue arrow points from this box to the second operation, 'FastaHeader::load', which is also in a white rectangular box with a black border. Another blue arrow points from the second box to the third operation, 'Header::setComment', which is contained within a gray rectangular box with a black border.

FastaHeader::load

Header::setComment
