

Sequence::size

```
graph LR; A[Sequence::size] --> B[BitVector::size]; B --> C[BitVector::getElementNumber];
```

A flow diagram consisting of three rectangular boxes connected by blue arrows. The first box, labeled 'Sequence::size', is shaded gray. A blue arrow points from its right side to the second box, labeled 'BitVector::size', which is white. Another blue arrow points from the right side of the second box to the third box, labeled 'BitVector::getElementNumber', which is also white. All boxes have a thin black border.

BitVector::size

BitVector::getElementNumber
